Dear Parents and Carers,

Science week is one of my favourite weeks in school...it takes me back to my time at university studying chemistry and enjoying all the messy experiments! It's great to see our children learning how science impacts our everyday lives and how this has inspired them in their job choices for the future.

Our parent governor, Tamanna is walking 100km in March to raise money for SANDS to save babies lives and also support families who have experienced loss.

To donate : <u>https://www.justgiving.com/page/tamanna-verma-</u> <u>1709227705672</u>

Finally, we would like to take this opportunity to wish those in our community who are celebrating, Ramadan Mubarak.

If you have any safeguarding concerns please ask to speak to one of the following adults: Miss Hodis (EYFS & Year 1 Lead), Miss Attwood (Assistant Head, Year 2 and 3 Lead), Miss Mohammadi (Year 4,5 and 6 Lead), Mrs Coates (Headteacher), Mr Rowden (Deputy Headteacher) or Miss Higgins (Assistant Head / SENDCo).

Our school values:

During the week all the staff will be looking out for exceptional examples of when children are showing these values and they may be awarded a certificate in Friday's assembly.

What value did you show this week to your friends? Which value do you think you will be able to show next week?

Year 5 Solar systems

Year 5 were set homework to create the solar system. They all made a fantastic effort and all teachers were very impressed. Well done!

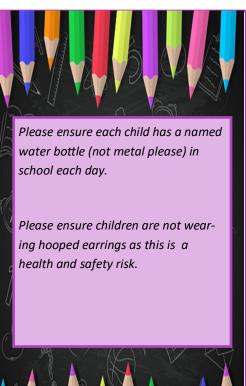

Tuck shop

The PTA will be selling sweets and drinks after school today.

Lunches

Please ensure if you child no longer needs a hot meal prepared by the school that this is cancelled before 9am on the day. This ensures we reduce our food waste and also costs involved. We have noticed a number of children not taking the meals prepared and eating packed lunches.

What is DLD?

Developmental Language Disorder is a persistent language difficulty that can't be explained by another condition. It is lifelong and approximately two children in every classroom are impacted by it. It affects all languages, and is not caused by being speaking more than one language.

The Hillingdon Talks, Moves, Plays website has further information and training presentations on DLD for school staff and parents:
